## Overview

Presto Station is a feature designed to reduce print costs by eliminating the need for expensive print management solutions that necessitate the need for expensive MFPs.

### Supported Systems

- iOS: 9.0+
- Android: 4.4.2 +
- ChromeOS: 50+
- Windows: 10+

## Setup

To setup Presto in Presto Station mode, login to the app with Presto administrator credentials.

### Enter Your Credentials
